Garden Profile

My Flower Garden

A beautiful bed mixed with annuals and perennials.

Light:	Full Sun to Light Shade	Shape:	Oval
Soil:	Rich, well drained	Length:	20 ft
Date Installed:	4/15/2000	Width:	15 ft
Location:	A sunny spot in the garden. A place to relax and watch all the butterflies!	Size:	250 ft sq

Notes this Garden

2002

Transplanted 'volunteers' did very nicely - but bloomed about a month after the seedlings that grew where they sprouted. This worked very nicely in extending the bloom period of this variety.

Plants this Garden
