Date: _____

Exercise: Creating a Plan for Maintaining your Habitat

Purpose: By answering the questions below, you will create a plan to improve your habitat.

Habitat Name: _____

Start Date: _____

End Date: _____

1. Describe a plan for maintaining this habitat over time.

2. What types of tasks need to be done to maintain or improve this habitat?

3. How will you make this habitat a better place for the wildlife that lives in it?

4. Will you need to obtain any special tools or equipment to perform this maintenance?

5. Will you need to obtain any additional wildlife to complete these improvements?
